Position Objective

This position is responsible for assisting in the delivery of a quality early childhood program which meets the needs of children attending Longreach Childcare Services, in line with the requirements of the National Quality Standards and relevant legislation and regulatory requirements.

Position Responsibilities

Functional Area	Key Responsibilities
Curriculum and Program Delivery	• Assist in the delivery of a play-based, educational program aligned with the Early Years Learning Framework, Queensland Kindergarten Learning Guidelines and/or My Time Our Place Framework, for a group of children aged between birth and 12 years. • Work proactively and co-operatively with families and allied professionals, ensuring all children are supported and included in the program. • Create accurate and current records concerning each child in care. • Contribute to ongoing curriculum planning, with completion of observations using a variety of methods. Contribute to the completion of transition statements, mid-year assessments and end of year assessments.
Operational Support	• Take immediate action to rectify and report safety hazards. • Ensure active, adequate, and efficient supervision of children always. • Work cooperatively, ethically and respectfully with other educators, and support each other's professional development.
Interactions with Children	• Respectfully participate in children's play and use children's cues and signals to guide their level and type of involvement. • Model reasoning, predicting, reflective processes and appropriate language. • Collaborate with children about routines, rituals, transitions and experiences, and provide opportunities for them to make decisions and choices. • Respond openly, positively and respectfully to children's comments, questions, concerns and requests for assistance and family. • Respond positively to each child's abilities, background, interests and strengths, supporting their inclusion and participation in the service. • Build reciprocal relationships with each child and families. • Meet the required standards for ACECQA Quality Area 5 – Relationships with Children. • Support children through challenging situations using calm, positive and responsive behaviour guidance strategies.

	• Recognise individual triggers and use positive engagement techniques to promote self-regulation while maintaining each child's dignity and respect. • Recognise and respond to each child's individual experiences, abilities, temperament and behaviour through tailored support, including providing individual attention, comfort and additional assistance where required. • Create safe and welcoming physical environments, with quiet spaces available to use or retreat to. • Promote children's health, safety and wellbeing by creating safe, welcoming environments and always acting in their best interests.
Communication and Relationships	• Always maintain confidentiality and sensitivity. • Maintain current and complete records of all required correspondence for children. • Establish and maintain effective and regular communication with parents.
Quality Assurance	• Work in accordance with the Education and Care National Law (2011), Education and Care National Regulations (2011), National Quality Framework, Work Health Safety Act 2011 and relevant policies, management directives and procedures. • Ensure staff and children utilise effective health and hygiene practices, including meeting all regulations relating to food safety and preparation, medical management plans, risk management plans, policies, management directives and procedures. • Attend professional development opportunities and meetings as appropriate and directed. • Work in accordance with and promote the Early Childhood Australia Code of Ethics and act in the presence of unethical behaviours.
Child Safety and Protection	• As a mandatory reporter, promptly report to Child Safety when you reasonably suspect a child has suffered, is suffering, or is at risk of significant harm due to sexual or physical abuse, or lacks a parent willing and able to protect them from harm, in accordance with the Child Protection Act 1999. • Take all reasonable steps within your role to identify and reduce risks of harm to children, including reporting concerns about adults associated with the service who may pose a risk. • Maintain a valid Blue Card at all times and follow service procedures to ensure compliance with Queensland's working with children requirements. • Complete and maintain evidence of approved child protection training, ensuring knowledge of obligations and reporting processes.

	• Immediately inform the Nominated Supervisor (Childcare Services Director) or Approved Provider (Longreach Regional Council) of any incident or allegation of physical or sexual abuse of a child during care, and cooperate with regulatory reporting requirements. • Actively promote a child-safe culture by following policies and procedures that support child safety and wellbeing, including safe online practices and child-focused complaint handling processes.
Other	• Other such relevant duties as required from time to time which would generally fall within the scope of this position as directed by your accountable supervisor or the Chief Executive Officer. • Carry out all duties in line with Council's Workplace Health and Safety policies and procedures and adhere to any legislative obligations.

Extent of Authority

The Assistant Educator operates with delegated authority consistent with their classification under the Queensland Local Government Industry (Stream A) Award. The role exercises professional judgement and autonomy in the day-to-day decision-making relating to children's learning, wellbeing, behaviour guidance, and inclusion, and the immediate management of health, safety, and supervision matters. Authority is exercised within established legislative requirements, service policies, procedures, and directives, with accountability to the Assistant Childcare Centre Manager. The position does not have delegated authority over staffing, budget expenditure, or organisational policy but is empowered to take immediate action to protect children's safety and to fulfil mandatory reporting and compliance obligations.

Key Relationships

Internal		
Position	**Nature of Relationship**	**How it Works**
Assistant Childcare Centre Manager	Reporting and operational support	Receives direction, guidance and feedback; escalates issues, incidents and matters requiring approval or delegated authority.
Childcare Centre Manager (Nominated Supervisor)	Compliance and child safety	Collaborates on regulatory compliance, reporting requirements, child protection matters and service quality outcomes.
Educational Leader	Instructional and Professional Guidance	Collaborating to plan, reflect on, and improve curriculum and practice in line with frameworks and quality standards.
Educators and Childcare Team	Team-based and supportive	Working ethically and respectfully as a team, sharing responsibilities,

		and supporting each other's professional development.
External		
Position	Nature of Relationship	How it Works
Parents and Guardians	Communication and partnership	Maintains regular communication regarding children's wellbeing and care needs.
Children in Care	Education and support	Provides quality education, supervision, guidance and individual support to promote learning and wellbeing.
Allied Health and Support Professionals	Collaborative support	Works cooperatively with external professionals to support inclusion, development and individual child needs.

Workplace Health and Safety Obligations

All employees have a legal obligation to comply with regulatory requirements and LRC– SMS *(Longreach Regional Council's - Safety Management System)* incorporating WH&S policies, procedures and work instructions. These are introduced to ensure the health and safety of employees, contractors, visitors, volunteers, the public and the environment and remain compliant with Industry Benchmark Standards.

Employees of Longreach Regional Council have the following responsibilities for health and safety at work.

- Take reasonable care of their own health and safety and ensure that their actions do not adversely affect the health and safety of others.
- Comply with and follow all reasonable instructions for work health and safety (WHS) and cooperate with all reasonable WHS policies, procedures, guidance, instructions, and directions.
- To not intentionally or recklessly interfere with or misuse any substance or thing provided in the interests of WHS.

- Use Longreach Regional Council's WHS risk management approach, participate in risk assessments and assist in identifying and using control measures to eliminate or minimise WHS risks.
- Ensure safe work practices including operating and maintaining all machinery, equipment and plant in a safe way and holding licences and training where required.
- Report any worn out or defective tools or equipment or problems with tools and equipment.
- Comply with Council's induction and training requirements.
- Participate in meetings, training, consultation and other WHS activities such as inspections, incident investigations, and evacuation drills as required.
- Use, maintain and store personal protective equipment (PPE) in the appropriate manner.
- Be familiar with emergency and evacuation procedures for their work area and comply with instructions given by emergency response, including emergency wardens and first aiders.
- Report all problems with undertaking work, including concerns or signs of injury, discomfort, or ill health, immediately to their manager or supervisor.
- Report any unsafe situation, workplace hazard, injury, incident, or near-miss to their manager or supervisor immediately.
- STOP WORK if it not safe to continue and report concerns to their manager or supervisor.
- Assist in maintaining a high level of housekeeping, cleanliness, and tidiness.
- Undertake tasks as required to enable continuous improvement for WHS management

Acknowledgement

This Position Description has been designed to indicate the general nature and level of work performed by employees within this classification. It is not designed to contain or be interpreted as a comprehensive inventory of all duties, responsibilities and qualifications required of employees assigned to the role.
